

REMARKS

Upon entry of the present Response to Notice of Non-Compliant Amendment-B, the claims in the application are amended claims 8-13.

Claims 8 and 9 have been amended to overcome the 35 USC 112, second paragraph, objection.

The application is now believed to be in condition for allowance, and a notice to this effect is earnestly solicited.

If the Examiner is not convinced that the application is in condition for allowance, it is respectfully requested that the Examiner promptly telephone the undersigned attorney for applicant in an attempt to facilitate the prosecution, and/or to narrow the issues for appeal, if necessary.

Favorable reconsideration is respectfully requested.

Respectfully submitted,
